BRITISH AND FRENCH CONSOLIDATE BIG GAINS

VATERLAND NOW FLIES STARS AND STRIPES

OLD GLORY NOW FLIES OVER VATERLAND, WORLD'S BIGGEST SHIP

Secretary Daniels officially announced that the Stars and Stripes will run up on the Hamburg-American line steamer Vaterland at an Atlantic port and that a naval crew took her over. She is the largest passenger ship in the world.

In making this announcement the secretary added that fifteen more German ships will be ready for commission within the immediate future.

German crews sought to destroy soon will be repaired and that the United States will have the use of this tonnage.

When these vessels were taken over originally by this government the shipping board promptly took charge of them and announced that the board would superintend the repairs.

This means the engines which the

Secretary Daniels asked President Wilson for permission to let the navy department take the ships over so that the repairs might be made expeditiously. The request was granted, and navy experts got the job done.

The repairs to the Vaterland cost more than \$1,000,000. The government has not announced to what service she will be assigned.

is cared for by military sanitation measures.

A survey of Chillicothe and towns about the camp has been completed.

"This survey shows that there is immediate necessity for the establishment of a sanitary district organization that will handle conditions that now exist, and which will increase with the coming of recruits to the camp," says a statement issued today by the health council.

The chief work will be to eliminate those things which contribute to typhoid fever. Sewer connections in the outskirts of Chillicothe will be ordered as one of the first moves.

Stopping pollution of streams, care in using water from open wells, clearing of streets, roads, alleys, vacant lots and elimination of dumping grounds are other features of the work. The state will have the assistance of local health officers of Chillicothe and of the United States Health Service.

By Associated Press Dispatch.

Columbus, O., August 1.—Dr. David E. Roush, of the state health commission was instructed to take such steps at a conference with Governor Cox today.

At its meeting the Commission elected A. R. McCulloch, of Cambridge, chairman. Friday was fixed for the first business session at which plans proposed by the Governor are to be worked out.

UNFINISHED ROAD WORK IS PUZZLER

By Associated Press Dispatch.

Washington, August 1.—Highway construction contracts never completed, many of them because contractors failed with great advances in cost of labor and materials, are to be finished by the state if necessary.

The new state highway advisory commission was instructed to take such steps at a conference with Governor Cox today.

At its meeting the Commission elected A. R. McCulloch, of Cambridge, chairman. Friday was fixed for the first business session at which plans proposed by the Governor are to be worked out.

U. S. STEAMER MOLTANO SUNK 22 SURVIVORS

(Associated Press Cable)

London, August 1.—The United

States steamship Moltano of 2730 tons gross, was sunk by a Teutonic submarine on July 31st. Twenty-two survivors have been landed.

SAILED JULY 20

By Associated Press Dispatch.

New York, August 1.—The Moltano sailed from New York on July 20, for Queenstown. The vessel was in command of Captain L. S. Stratton and carried a crew of 34 men, of whom 15 claimed American citizenship. The Moltano was built in 1890 at Newcastle, England.

COTTON CROP

By Associated Press Dispatch.

Washington, August 1.—This year's cotton crop was forecast today at 11,949,000 equivalent 500-pound bales by the Department of Agriculture, which based its estimate on the condition of the crop July 25 which was announced at 70.03 per cent of normal.

CROP IS LATE

Cotton was unfavorably affected by weather and other conditions during July but an improvement to the extent of more than 300,000 bales was indicated in the report of the Department of Agriculture today, which forecast a total production of 11,949,000 bales from a yield of 166 9-10 pounds per acre. The crop averages about two weeks late over the entire cotton belt.

Wide Stretch of Territory, More Than 3500 Prisoners Are Part of Big Gains Made in Drive.

Two and a Half Mile Advance in Lines.

Counter Attacks Repulsed Last Night.

Heavy Rains Hamper Work of Consolidation.

Desperate Resistance of Germans Evidences Importance of Captures.

By Associated Press Dispatch.

With a wide stretch of territory and more than 3500 prisoners in their hands as a result of the first day's fighting, the British and French troops in Flanders spent last night consolidating gains and repulsing inevitable counter attacks made by the Germans.

The new lines along the greater part is from 2 miles to two and a half miles in advance of the old lines and includes ten captured towns, has been firmly held along the entire front. The consolidation process is being carried out under terrific rain storms which are hampering operations.

Definite objectives were assigned the various Allied units for attainment in the first day's stroke and these were gained almost in their entirety.

The desperation of the German resistance now manifesting itself now bears witness to the importance the German command attaches to retention of the front. This front has been not the rigid one the Teutonic claims have made, and as badly bent by the attacks, the immediate future is likely to show where it can be strained to the breaking point.

On the French front the Germans went on this morning with an operation in the Verdun region, launching an assault between Avocourt and Hill 304, in an effort to regain the positions they lost there July 17.

Only a few advanced elements of the French line, however, were reached by the Crown Prince's forces, the French fire stopping them short there.

CAMP WORK DELAY MAY HOLD GUARDS

By Associated Press Dispatch.

Washington, August 1.—Delays in preparing the national guard mobilization camps, the War Department announced today, will postpone their opening about two weeks.

EXPORT QUESTIONS FALL TO MR. SULZER NEW SWISS ENVOY

HANS SULZER

Hans Sulzer, the new minister to the United States from Switzerland, will have his hands full handling the vexed question of the regulation of exports by the United States so that nothing American reaches Germany. Mr. Sulzer is well qualified by training to handle this matter. He is not a diplomat by training, but a business man and a member of one of the most prominent and oldest families in Switzerland. After studying law he received practical commercial training in banking houses in Basel, Switzerland, and Rome, Italy. Later he made a prolonged sojourn at Newcastle-on-Tyne, England. He also undertook commercial study trips to South and Central America as well as to the United States.

Since the outbreak of the war Mr. Sulzer has occupied himself particularly with import and export questions, and as vice president of the Swiss metal syndicate he also acted as co-counselor in question relating to obtaining of raw material for the machinery industry. He succeeds Dr. Paul Ritter.

WITHDRAWAL OF ALLY ARMY FROM GREECE

Carried on With Unanimity in Accordance With Paris Agreement.

(Associated Press Cable)

Athens, Greece, Monday, July 30.—Withdrawal of the allied forces from Old Greece, Thessaly, and Epirus in accordance with the decision of the Balkan conference at Paris is being rapidly carried out. The last troops left Piraeus today. The withdrawal from Corinth and other occupied points was previously executed.

The unanimity of the allied action is a source of satisfaction as the Italians desired a wider field but yielded in the interest of the united action to withdraw from Greece and leave Greece to the Greeks.

Preparations are under way to call out the classes of 1916 and 1917 aggregating 60,000 men. The Greek government is highly gratified at the result as showing the allies are recognizing the territorial integrity of Greece.

I. W. W. LEADER "STRUNG UP" BY MOB OF ANGRY CITIZENS

BUTTE, MONTANA, AUGUST 1—(Associated Press Dispatch)—

Frank Little, member of the executive board of the I. W. W., and a leader in labor troubles in Arizona, was taken from a lodging house early today by masked men and hanged to a railroad trestle near the city.

The body was cut down at 8:00 a. m., by Chief of Police Jerry Murphy, who identified it.

Little, in a recent speech here, referred to United States soldiers as "Uncle Sam's scabs in uniform."

VIOLENTLY ATTACKED GOVERNMENT

Since his arrival in Butte recently from Globe, Arizona, Little had made speeches to strikers in all of which he had attacked the government and urged the men to shut down the mines. He was bitter in his denunciation of the government.

His record was under investigation by the Federal authorities. Little took a leading part in recent labor troubles in Arizona.

On Little's body was a card bearing the words: "First and Last Warning. Others take notice. Vigilants."

DRY LEADERS ARE CONFIDENT

amendment proposing a congressional committee to supervise war expenditures.

The agreement will be reported to the House tomorrow.

The Senate conferees voted four to three to eliminate the congressional committee clause. Senators Chamberlain and Smith of S. Carolina, and Smith of Georgia, Democrats, were joined by Senator Warren of Wyoming in yielding, while Senators Gore, Democrat, and Senator Kenyon, and Senator Page, Republicans, insisted upon retaining committee provision.

While no agreement was reached for further consideration of the measure to create a congressional committee the advocates of the plan propose to present such an agreement to the war tax bill or some early appropriation measure.

Dry leaders claim it will pass. Wet leaders claim it will not.

That was the situation today when the Senate resumed debate on the resolution for a prohibition amendment to the Federal constitution. The Senate has agreed to begin voting on all amendments on the resolution itself at four o'clock this afternoon.

Few members were in their seats and a small number of spectators were in the galleries when debate on the prohibition measure was resumed.

Senator Calder, the first speaker, announced he would vote against the resolution declaring it his opinion it was a question to be determined by the states.

Proceedings Launch ed in Legislature.

TO IMPEACH TEXAS GOV.

By Associated Press Dispatch.

Austin, Texas, August 1.—Charges designed to form the basis of impeachment against Governor James Ferguson were filed in the House of Representatives by Speaker Fuller this afternoon immediately after the convening of the Legislature in special session. Roll call in the House was answered by 112 members, 17 in excess of a quorum.

Governor Ferguson and several others recently were indicted on charges involving irregularities in the handling of state funds.

FINAL CURTAIN

By Associated Press Dispatch.

New York, August 1.—George J. Cohan, who for years was one of the best known actors of the American stage and one of the famous "fourteen" died early today of arterio secessus at his country home at Monroe, N. Y., after an illness of nearly two years.

Mr. Cohan was 69 years old. His wife, Helen S. Cohan, and his son, George M. Cohan, were with him when he died.

STOCKHOLDERS WILL MEET TONIGHT FOR A FORMAL ORGANIZATION

Stockholders of the Fayette Hospital Company will meet at the Y. M. C. A. at eight o'clock Wednesday night for the purpose of effecting an organization, and the officers will be chosen and other business transacted.

The Fayette Hospital Company, incorporated in Columbus Tuesday with a capitalization of \$10,000, has the following incorporators: Wilbur F. Collins, M. S. Daugherty, Mrs. Wm. Worthington, T. H. Craig and Robert Howat.

Stock subscriptions are still being taken and during the past few days splendid headway has been made in the work, and the plans are moving along very satisfactorily.

The company will take over the Fayette Hospital and all equipment, and it is understood will enlarge the institution to a much greater capacity than at present.

FILED IN HIGHLAND CASE ARGUED HERE

Before Judge Roscoe G. Hornbeck, of London, exceptions to the account of George Bruce as assignee of the estate of Horace Huff, of near Greenfield, were argued in this city Tuesday, with Attorneys McMullen, of Hillsboro, and Hicks, of Greenfield, and Gregg, Patton & Gregg representing the creditors and Attorney D. Q. Morrow representing the defendant Bruce.

The case was originally filed in the probate court of Highland county and carried up to the common pleas court. Some \$2500 is involved in the suit, it being charged that the defendant had not accounted for that sum as assignee of Huff.

SHE EARNED MONEY BY HUSKING CORN; HUSBAND TAKES IT

Charging that her husband, Joseph Lock left her on the 23rd of March, 1917, and took with him about \$100 in money which she had helped earn by husking corn and doing other farm work, Martha Lock, in common pleas court, has asked for a divorce from her erring husband on the grounds of gross neglect of duty and extreme cruelty, and asked that he be prevented from interfering with her at her home in Jeffersonville.

The woman, represented by Attorney Dakin, of Sabina, claims that she was married to the defendant in this city Nov. 25, 1914, and that since that time the defendant has repeatedly left her and been away for weeks at a time, and that the last time, March 23, 1917, he took all money they had.

Plaintiff also charges that many times the defendant has kicked her on the limbs, leaving blue spots where the blow landed.

POWERFUL PLOT GRIPS AUDIENCES

The sensational elements of Rex Beach's powerful novel of Alaska, "The Barrier," showing at the Colonial theater Wednesday and Thursday are sufficient to keep the large audiences attending from realizing mid-summer weather conditions.

The plot moves through scenes of gripping excitement in this picturesque land of gold and lawlessness.

There is plenty of scenic beauty, plenty of romance and plenty of thrills.

The characters stand out as real types in real settings and the play is put on with admirable artistic finish.

Tonight "The Barrier," one of the most notable of the big photo play productions, will be shown for the last time.

SIMPLE SERVICES PRECEDE BURIAL

Frederick Andrew Creamer, the baby son of Mr. and Mrs. Fred B. Creamer, was laid to rest in the family lot of the Washington cemetery, following private services at the home Wednesday morning at half past nine o'clock. With only relatives and close friends present, Rev. Arthur P. Cherrington conducted a simple and affecting service and made a beautiful little talk.

The tiny casket was borne by an uncle, Mr. Guy Hickle and wife, of Hillsboro and Mr. C. U. Armstrong of Hillsboro, and Mr. C. U. Armstrong. It was surrounded by a wealth of beautiful bowers from relatives and friends far and near.

THE FLY TRAPS HAVE ARRIVED

Of course everyone needs a fly trap this hot summer weather, and the Welfare Association has anticipated the need by getting in a large supply, which they will sell at the price of 75 cents each.

A number of orders have already been taken, but there are plenty left and can be procured at the Welfare room during the office hours of the District Nurse, 8:30 to 9:30 a.m.; 1:00 to 2:00 p.m.

This is a chance to help the Welfare Association, as well as to procure an indispensable summer article.

The German Attacks

Advices from the western front of the war zone indicate that the Germans have adopted a different plan this time to disconcert the British preparations for another supreme offensive.

The first great offensive launched by the British in the campaign of the present year, was anticipated by the Germans. The method adopted by the Teutons to meet that drive was the retreat and devastation of the country over which the retreat was conducted. As a consequence a great section of beautiful northern France was barbarously laid waste. The theory of the German commanders was to pin about thirty miles of barren country between their armies and the carefully planted big guns of the British. The strategy failed to hold the offensive movement and the loss in territory and elaborately constructed trenches were enormous.

For some weeks the Germans have known that the British were getting "set" for another offensive and the violent artillery attacks of Monday along the whole British front is undoubtedly an effort to disarrange the British plans rather than the forerunner of any planned advance by the Germans.

For more than a year now the central powers have been fighting "with their backs to the wall" content to remain on the defensive.

The allies too have been content to hold back the "Huns," while the work of preparation is carried forward and to plan for a continued grinding forward movement which will guard against disaster, secure the gains made and be as little costly in precious human life as possible.

Our Duty to New Streets

Many blocks of newly paved streets have been thrown open to the public in Washington during the last year. The new streets are well built, apparently. They are nice to drive over and the temptation to auto drivers to let out another notch or two is difficult to resist.

The new streets bring a great opportunity for pleasure to residents of the city and county and to the travelers passing through. In many ways they bring pleasure but in many other ways they bring burdens too. They are expensive in the first place and they must be paid for, they must (or at least should) be cared for, swept and kept clean, the more extended grass plots should be kept in order and the dilapidated sidewalks to conform to the up-to-date streets.

During the last few months the streets of the city have been transformed into veritable speedways by automobile drivers, they have been used as testing courses for the scores of broken down and built over machines which tear along them at a rate of speed greatly in excess of that allowed by law with exhausts wide open endangering the lives of the occupants of the machines and of every one who travels on or crosses the streets, as well as making life miserable for those who live along the street.

It's difficult of course with a limited police force to stop speeding by keeping officers on guard, but a few picked up now and then and given the extent of the law would tend to correct dangerous conditions which are rapidly growing worse.

A Staged Revolution

There is no very great difference in public opinion regarding the recent internal disturbances in Germany about which the world was, a few weeks ago, speculating and with reference to which not a few people permitted themselves to hope that some permanent good would come to the German people and to the world.

It is now certain, that the "uprising" in Germany, against the autocratic rule of the military power, was inspired by the Kaiser and his advisers, it was planned out in detail, every step, with German "thoroughness." It was a staged affair from start to finish for the purpose of making a favorable impression on the democratic nations—notably the United States.

It was launched when the war power willed it to be launched, went just as far as had been planned by the junkers and gave the world nothing but a shallow form—it was a basely planned and brutally plain attempt to deceive the world.

The efforts however accomplished but little deception. The nations by this time seem to understand the diplomacy and the "fineness" of the Prussian war party.

The whole revolutionary program was carried through with clock like precision of the military. The actors marched on the stage with the "goose step" spoke their pieces like the dummy of the ventriloquist and marched off again.

The faith of the Kaiser and his war lords in their ability to mislead the world as they do the German people is not a bit of brazen effrontery alone it is the evidence of the colossal stupidit and thickheadedness which has brought disaster on the world.

Poetry For Today

TO FRANCE.

France, beloved of the nations,
Sister to half the world,
Black are the valleys you fight for,
Shattered, the armies you hurried.—
France, we are coming to help you.
Our banner with yours is unfurled.

Beautiful, gallant, undaunted,
You smile, making light of your
woe.—
Peerless forever in battle;
But we are your brothers,—we
know
The anguish you suffer in silence
With never a curse for the foe.

Now in your battle for freedom,
Who fought for our freedom of old.
We pledge for all times and all perils,
What never was bartered or sold.—
We pledge to you a love that is deathless,
More worth than our guns and our gold.

France, the pledge that we give you
Ten millions shall die to fulfill.
We are yours till your valleys are resuscitated.

Till rifle and cannon are still,—
Yours for the battle and triumph
Yours for all time—if you will.

The Retail Stores of Washington C. H., O.

WHO ARE COOPERATING WITH

The Commercial Economy Board of the Council of National Defense to Regulate the Deliveries and the Return of Merchandise

It has been decided by the following merchants of Washington C. H. to lend their hearty and active co-operation to the Commercial Economy Board of the Council of National Defense toward bringing about reforms which would result in releasing men, capital and equipment, as may be needed.

The Government Urges Patriotic Citizens to Get the "Carry Habit" and Help Win the War.

DELIVERIES WILL BE REDUCED TO NOT MORE THAN TWO DELIVERIES A DAY, but not including, however, parcels sent to hotels and depots or so-called specials caused through operation of a store's alteration department, and also specials caused by error of store's employees.

When shopping, do not leave the store empty-handed. Carry parcels with you to the extent of your ability. Help to make this "the fashion."

When you have goods to be returned, do not leave home empty-handed. If all customers would carry small parcels for exchange, the saving of time in delivery would amount to thousands of hours annually.

Do not buy merchandise until you are sure you are going to keep it. Make careful selection a habit. Avoid C. O. D. purchases whenever possible.

Carry Your Own Parcels

Shop Early In The Day, If Possible

Stores must have a sufficient number of salespeople ALL DAY LONG to handle the trade at the very busiest hour, which, due to the habits of customers, is near the middle of the day. To help us distribute the business more evenly would result in great economy to us, and, eventually, to you.

Through the Commercial Economy Board of the Council of National Defense, the following rules for the returning of merchandise go into effect August 6th, 1917:

Carry Your Own Parcels

I—The following articles for legal, sanitary or other reasons, cannot be accepted for return:

- (a) Bedding and Mattresses.
- (b) Garments that have been altered for the purchaser.
- (c) No merchandise, particularly waists, hosiery, underwear, etc., that has been sent out on approval, will be accepted for return if soiled, mussed or damaged.
- (d) Shoes which have been altered.
- (e) Combs, hair brushes and tooth brushes.
- (f) Hair goods, hair ornaments and veils.
- (g) Rubber goods, sundries.
- (h) Women's hats and shoes which have been made especially to the customers' order, or which have been worn.
- (i) All goods cut from the piece at the request of the customer.
- (j) All merchandise which has been made to order or specially ordered and which is not regularly carried in stock.

RETURNABLE GOODS

II—Any article of merchandise which, for some reason, is to be returned to a store must be returned within 3 business days after the receipt of merchandise by the customer.

III—(a) Gifts of all kinds (Christmas, wedding, birthday, etc.), if returned will be accepted only in exchange for other merchandise and will not be credited on the account of the person receiving the gift.

(b) Gifts may be returned for exchange at current prices only.

IV—(a) No article will be accepted for return unless it is in its original condition.

(b) No merchandise of any kind which has been used will be accepted for return.

The names of all customers who continually make unjust claims upon the merchants, or who return C. O. D. and approval merchandise, will be reported to the Fayette Credit Bureau. Such information will eventually become a part of the credit information supplied every merchant.

The following merchants of Washington C. H. have agreed to support the Economy Board by complying with these regulations beginning August 6th:

Miss Pauline Pine is spending the week at the Lancaster Camp Grounds Columbus about 11 o'clock Tuesday night as result of injuries sustained while diving from a ladder into the swimming pool at "The Point" near Greenfield.

Mr. George H. Hitchcock is spending a week's vacation at Maple Grove Springs.

So far as known no official order to entrain has been received by Captain O. E. Hardway, of Company M, and while the company may not move for several days, it may go within a few hours time, and this would be no surprise to either officers or men, who have made arrangements accordingly.

Everything is in readiness to move, and there is evidence that the call to move may come at any hour.

Friends of the troops are restless under the uncertainty of the time when the troops are to move.

Local citizens, in the meantime, are waiting some definite announcement before making plans for a farewell celebration for Company M.

SON OF GREENFIELD 'DENTIST SUCCUMBS

Floyd Edward, 17, son of Dr. and Mrs. G. H. Edwards, of Greenfield, passed away in the Grant hospital at Columbus about 11 o'clock Tuesday night as result of injuries sustained while diving from a ladder into the swimming pool at "The Point" near Greenfield.

The accident occurred Monday evening and was due to the ladder turning as he was in the act of leaping into the water. He struck his head and the blow paralyzed him so that he was unable to move hand or foot. He remained conscious until moved to the hospital, where an operation in an effort to save him, failed and death followed.

The young man was brought to this city by ambulance, Tuesday, and placed aboard the B. & O. to be taken to the hospital.

It was found that his back had been broken near the neck. The remains were brought home via this city Wednesday morning.

A few days ago the young man sustained an injured shoulder while diving from the D. T. & I. bridge at Greenfield.

Four cars were necessary to accommodate the company and equipment and the troops reached Chillicothe late Wednesday forenoon and marched at once to their location on the camp grounds at that place.

WANTS TO ENLIST

B. L. Lye married and residing near Milledgeville, presented himself at the Armory, Tuesday evening, asking to become a member of Company M.

His name was taken and papers to be signed by Mrs. Lye were given him and he is to return later with the papers signed by Mrs. Lye.

More people every day are finding Herald want adds superior.

LARGE FIELD YIELDS 50 BU.

Jerome Taylor finished threshing Wednesday morning a 27-acre field that made the remarkable yield of 50 bushels of wheat that tested 62 pounds.

This is the banner yield for a field of this size so far reported in Fayette county. Mr. Taylor took out the surveyor at noon and had the field re-surveyed. It measured just 26 9-10 acres.

The men are Fred Vorheyen, who is said to have enlisted in the United States Field Artillery at Douglass, Arizona, and has never been transferred from Company M.

Glenn D. Good, supposed to be at Wyandotte, Michigan.

Lawrence S. Vought, presumably of Dennison, Ohio, who wanted a transfer and when this did not come as soon as he desired, declined to come to this city without transportation.

Wm. B. White, now under arrest in Hillsboro on a charge of stealing over 50 cases of booze from a train.

The names of the four men have been turned into the Central Department as deserters, and will be dealt with as becomes their offense.

FOR APPENDICITIS

Miss Dora McLean was operated on at the Fayette Hospital Tuesday afternoon for appendicitis. She rallied from the operation.

Dr. Evan Brock of Columbus and Dr. Loring Brock of this city performed the operation.

FOUR MEN WANTED ON SERIOUS CHARGE

Deserting in time of war is a mighty serious business with soldiers and four members of Company M are about to face this charge as result of failure to report promptly as required by the army regulations.

The men are Fred Vorheyen, who is said to have enlisted in the United States Field Artillery at Douglass, Arizona, and has never been transferred from Company M. Glenn D. Good, supposed to be at Wyandotte, Michigan.

Lawrence S. Vought, presumably of Dennison, Ohio, who wanted a transfer and when this did not come as soon as he desired, declined to come to this city without transportation.

RULES GOVERNING EXEMPTION FROM MILITARY DUTIES

Indications Are That Few Will Be Exempted Unless Substantial Reasons Are Furnished—District Board Can Only Exempt on Industrial Grounds.

Fayette registrants have seven days from the time the list in which they are enrolled is posted in which to file exemption claims, and blanks must be obtained at the Local Board's office in the Pavey Building, over the Midland Bank on Court street.

The indications are that exemptions will not be many on grounds of industry, and it is expected that the entire \$1 will be obtained from the first 162 called, late reports indicating likelihood of few exemptions for industrial reasons.

Following instructions and bits of information are taken from the official notice issued by the Government, and should be read very carefully by registered men:

Seven Days to File Claims of Exemption or Discharge.
(Except for industrial or agricultural reasons)

(a) No claim of discharge on ac-

count of the industry in which you are engaged can be decided by a local board.

(b) Whether you file a claim of exemption or not, you must present yourself for physical examination on the day named in the notice.

From the day notice that you are called is mailed and posted you have seven days in which you may file claim of exemption or discharge. The form for filing this claim is simple. If you wish to file such a claim—

a) Go to the board and get Form 110 for exemption or Form 121 for discharge. If the board has not the printed forms ask to consult the form pamphlet and copy the form shown there.

(b) Fill out the proper form and file with the board.

(c) Do this within seven days of the posting and mailing of notice to you to present yourself.

The following are the only grounds for exemption:

1. That you are an officer, legislative or judicial of the United States, a State or Territory, or the District of Columbia.

2. That you are a regular or ordained minister of religion.

3. That you were on May 18, 1917, a student preparing for the ministry in any recognized theological or divinity school.

4. That you are in the military or naval reserve service of the United States.

5. That you are a subject of Germany, whether you have taken out papers or not.

6. That you are resident alien who has not taken out first papers.

In addition to claims for exemption claims for discharge may be made on any of the following grounds, which are the only grounds for discharge by a local board:

1. That you are a county or municipal officer.

2. That you are a custom house clerk.

3. That you are employed by the United States in the transmission of Regulations).

4. That you are an artificer or workman employed in an armory, arsenal, or navy yard of the United States.

5. That you are employed in the service of the United States (under certain conditions).

6. That you are a licensed pilot regularly employed in the pursuit of your vocation.

7. That you are a mariner actually employed in the sea service of any citizen or merchant within the United States.

8. That you are a married man with a wife or child dependent upon you for support.

9. That you have a widowed moth-

er dependent upon you for support.

10. That you have aged or infirm parents dependent upon your labor for support.

11. That you are the father of a motherless child under 16 dependent upon your labor for support.

12. That you are a brother of an orphan child or children under 16 dependent on your labor for support.

13. That you are a member of any well-recognized religious sect or organization organized and existant on May 18th, 1917, and whose then existing creed or principles forbade its members to participate in war in any form and whose religious convictions are against war or participation therein in accordance with the creed or principles of said religious organization.

These are the only grounds for exemption or discharge by a local board.

Another person can file a claim in your behalf, but must use different forms in filing the claim.

Claims for Discharge on Industrial Grounds.

Only the district board can receive claims for discharge on the ground that you are engaged in industry, including agriculture found to be necessary to the maintenance of the military establishment, the effective operation of the military forces, or the maintenance of national interest during the emergency.

Such claims must be filed with the district board on or before the fifth day after the mailing and posting of notice that you have been certified by the local board as one who has been called for service and not exempted or discharged.

YOUR BABY WILL THANK YOU

Your baby will feel the effects of improper feeding.

Do you know that cow's milk contains but one-sixth the amount of iron of mother's milk and that Thompson's Food (Peptonized) is pure sweet milk modified on a large scale and so prepared that the iron content equals that of mother's milk.

Your baby will thank you in after years if you bring it up on Thompson's Food (Peptonized). There will be no danger of it being anaemic, rickety or backward in growth.

Thompson's Food (Peptonized) is a complete food in itself; it is not a milk modifier. It is very easily prepared by the mere addition of water. Its use eliminates the danger usually associated with the local milk supply.

Old Folks Saved From Suffering

Mrs. Mary A. Dean, Taunton, Mass., in her 87th year, says: "I thought I was beyond the reach of medicine, but Foley Kidney Pills have proven most beneficial in my case."

Mr. John A. Hines, High Point, N.C., writes: "My kidney trouble was worse at night and I had to get up from five to seven times. Now I do not have to get up at night, and consider myself in a truly normal condition, which I attribute to Foley Kidney Pills, as I have taken nothing else."

Mrs. M. A. Bridgers, Robinson, Mass., says: "I suffered from kidney ailments for two years. I commenced taking Foley Kidney Pills ten months ago, and though I am 61 years of age, I feel like a 16-year-old child."

Foley Kidney Pills are tonic, strengthening and up-building, and restore normal action to the kidneys and to a disordered and painful bladder. They act quickly and contain no dangerous or harmful drugs.
